ELEMENTARY GRAPHIC DESIGNING

INSTRUCTIONS:

Use any graphic software of your choice to complete this exam.

You are required to answer only two (2) questions. Ensure that your answers are clear and demonstrate your understanding of the topics.

QUESTION 1: Business Card Design

Create a business card design for "John Doe, Graphic Designer" with the following specifications:

- Size: 3.5 x 2 inches (standard US business card size)

- Background: A subtle gradient or texture

- **Typography:** A clean, modern font with contact information (email, phone number, website)

- Graphics: A simple logo or icon representing graphic design

QUESTION 2: Wedding Car Poster

Design a poster for a wedding car decoration service with the following specifications:

- Size: 11 x 17 inches (tabloid size)

- Theme: Elegant and romantic

- Imagery: A photo of a decorated wedding car or a relevant illustration

- Text: The service name, tagline, and contact information (phone number, email)

- Colors: Pastel or metallic colors fitting the theme

QUESTION 3: Icon Design

Create a set of 3 icons for a fictional coffee shop with the following specifications:

- Size: 48 x 48 pixels

- Style: Flat design or simple illustrations
