GRAPHICS DESIGNING

1. **Event Banner (Adobe Photoshop)**
    - Design a banner for a community event. Incorporate images, typography, and vibrant colors, ensuring it’s optimized for print.
2. **Promotional Calendar (Adobe Illustrator)**
    - Create a 12-month calendar featuring your original illustrations. Focus on layout, typography, and seasonal themes.
3. **Flyer Design (Adobe InDesign)**
    - Develop a promotional flyer for a local business. Highlight essential information and include a clear call to action.
4. **Music Festival Poster (Adobe Photoshop)**
    - Design a poster for a music festival. Use bold graphics and typography to convey the festival's vibe and lineup.
5. **Travel Brochure (Adobe InDesign)**
    - Create a tri-fold brochure for a travel destination. Include images, descriptions, and travel tips, focusing on layout and readability.
6. **Social Media Banner (Adobe Fireworks)**
    - Design a social media banner for a brand. Incorporate branding elements and imagery that align with the brand's identity.
7. **Health Awareness Flyer (Adobe Illustrator)**
    - Develop a flyer for a health awareness campaign. Use info graphics and clear text to communicate important information effectively.
8. **Seasonal Poster (Adobe Photoshop)**
    - Create a seasonal-themed poster (e.g., summer, winter) that includes graphics and typography representing the season.
9. **Event Brochure (Adobe InDesign)**

- Design a brochure for an upcoming conference. Include schedules, speakers, and registration information in a user-friendly layout.

10. **Sports Team Banner (Adobe Illustrator)**
    - Create a banner for a local sports team. Use team colors, logos, and graphics to promote team spirit.
11. **Charity Event Flyer (Adobe Photoshop)**
    - Design a flyer for a charity event. Highlight the cause and include donation information, using impactful visuals.
12. **Restaurant Menu (Adobe InDesign)**
    - Create a menu for a restaurant. Focus on layout, typography, and imagery that reflects the restaurant's theme.
13. **Product Launch Poster (Adobe Illustrator)**
    - Design a poster to promote a new product launch. Use engaging visuals and persuasive text to attract attention.
14. **Festival Brochure (Adobe InDesign)**
    - Develop a brochure for a local festival. Include event details, activities, and maps, ensuring clarity and visual appeal.
15. **Real Estate Flyer (Adobe Photoshop)**
    - Create a flyer for a property listing. Use high-quality images and highlight key features of the property.
16. **Workshop Poster (Adobe Illustrator)**
    - Design a poster for a workshop or seminar. Include date, time, location, and a brief description of the event.
17. **Holiday Greeting Card (Adobe Photoshop)**
    - Create a holiday-themed greeting card. Incorporate illustrations or photos and a warm message.
18. **Fitness Class Flyer (Adobe InDesign)**
    - Design a flyer for a fitness class. Highlight class benefits, schedule, and instructor details in an engaging layout.
19. **Digital Magazine Cover (Adobe InDesign)**

- Create a cover for a digital magazine. Use striking imagery and typography to attract readers' attention.

20. **Art Exhibition Poster (Adobe Illustrator)**
    - Design a poster for an art exhibition. Focus on showcasing the artwork and providing exhibition details clearly.

Submission Guidelines

- Submit all files in the appropriate formats (e.g., .ai, .psd, .indd, .fw).
